

2018-19 District Testing Calendar- East Guernsey Local School District

Federal and state laws require all districts and schools to test all students in specific grades and courses. There is no law that allows a parent or student to opt out of state testing, and there is no state test opt-out procedure or form. If a parent withdraws a child from participation in certain state tests, there may be consequences for the student, the student's teacher, and the school and district. Parents may contact Chase Rosser by email chase.rosser@eguernesy.k12.oh.us with request regarding Testing Policies. Please see the link below to better understand why schools are required to participate in State Testing.
