

EAST GUERNSEY LOCAL SCHOOLS

Dear Parents and Caregivers,
East Guernsey wants to support you and your student during our required time off. We encourage you to choose an activity each day to do with your students from the grid below. The district invites you to share your activities with our school community by taking pictures and tagging East Guernsey Local School District on Facebook, Twitter, or Instagram. Thank you and Go Warriors!

<p>Reading Finish the 3rd Nine Weeks Reading Log then you can begin working on the Reading Log for the 4th Nine Weeks - Same level as 3rd Nine Weeks. FCH -1 NFCH-1 Picture (FIC)-2 BIO -1 RF - 1 NF - 4 I will also post the new reading log to Google Classroom.</p>	<p>Reading Read an article, of your choice, on Newsela & take a quiz Try to do this twice a week.</p>	<p>Reading Complete your Google Slide Show on one of the animals that we saw at the Zoo to us presentation. You should have 20 facts and pictures of the animal you choose. Blue-tongue Skink American Alligator Opossum Box Turtle Share it with me when you finish.</p>	<p>Reading IXL Reading 5th grade K.1, K.2, O.4, O.5, O.6, V.1, V.2,, V.6, V.7, W.3, W.6, W.7, AA.1, AA.2, BB.1, DD.1, DD.2, FF.3, FF.4, FF.5, FF.6 -Try to complete 2 a day to your goal % (same as math)</p>	<p>Reading Choose one of the following topics and write an essay: Who's the funniest person you know and why? Or If you could change one meal in the cafeteria what would it be?</p>
<p>Math Freckle: Do adaptive practice in Fractions or Geometry. IXL Math 5th grade M1, M2, M3, M4, M5, M6, Z6, Z11, Z12, DD1, DD2, EE3, EE5, EE6, EE7, EE8. EE9, EE10, EE11, EE12, EE14, EE15, EE16 -Try to complete 2 a day to your goal % from math.</p>	<p>Math Cook a recipe with an adult Talk about equivalent fractions. Ask you child questions like "How many $\frac{1}{4}$ cups would equal $\frac{1}{2}$?" Also incorporate adding and subtracting. ex." How much more flour are we using than sugar?" "What is the total measurement of dry ingredients?" etc.</p>	<p>Math Wastebasket Basketball Take turns shooting a crumpled paper ball into a wastebasket. Record how many you make out of 10. Ex. if you shoot 4 out of 10, express as a fraction ($\frac{4}{10}$) then as a decimal.(0.4)What percent would it be? Do the same with the number of shots missed. Record the data for each player.</p>	<p>Math How many different equations can you write that equal 10? Example: $9.4 + 0.6 = 10$ Try to write equations with whole numbers, decimals, and fractions. Use addition, subtraction, multiplication, and/or division. Challenge yourself to write 10 different equations that equal 10. You can extend this</p>	<p>Math Go to these links and choose 5th grade math games https://www.mathgames.com/ https://www.prodigygame.com/ OR Students can create their own board game. Playing cards, and dice are great math tools. Create a game that involves adding and</p>

			activity to create 10 equations that equal other numbers as well!	subtracting fractions, decimal operations, or any other math skill we have covered. Be sure to post pictures of you playing your games!
Science Watch Bill Nye YouTube videos. Electricity, force/motion, light/sound	Science Take a walk and see if you can find at least three levels of a food chain. Can you make it a food web?	Science There are wonderful Newselas on science topics. We read a few on roller coasters. see what else interests you.	Social Studies We will be studying World War II and other wars. See if you can find information on a family member who served in one.	Social Studies On the website TeacherVision there are lots of election year activities and free printables. We also will be studying the branches of the government and their duties.
Extra Read to a sibling or parent.	Extra Send one of your teachers an email telling us what you have worked on today.	Music Complete the composer question headings from your email from Mrs. Fannin, based on your composer. You may have to research more if you don't have your notes with you.	Computers btwarriors.typingclub.com first.last lunch number Type 20 minutes in TYPING JUNGLE. Focus on hand placement!	Extra Use the FlipGrid link in Google Classroom to keep in contact with Mrs. McComb. You can create a FlipGrid and let me know what you are doing on our time off. Be CREATIVE!
