

Z Pass+ for Parents' Peace-of-Mind.

Know when and where your child gets on and off the school bus.

- Know the date, time and location your child boarded and exited the bus.
- Receive instant notifications directly to your e-mail or phone.

How does it work? Students carry a small card that automatically logs their entry or exit when they pass the scanner on the school bus. The information is then instantly and securely available to you. Notifications can also be sent directly to your computer or to your cell phone via text message.

Z Pass+ brings you a whole new level of assurance. Knowing when and where your child gets on and off the bus gives you added peace-of-mind and makes it easier for you to plan your day.

Stay updated and feel confident about your child's safety with Z Pass+!
