

While students are encouraged to use school-provided transportation in traveling to home from school-sponsored extracurricular events in which they participate, the East Guernsey Local School District recognizes that circumstances may exist under which a student's parent/guardian desires that the child ride with a parent/guardian or other responsible adult who is at least 21 years of age. The District treats requests for alternative transportation case-by-case and generally tries to be accommodating. When seeking authorization for alternative transportation from an event, the following information needs to be provided:

STUDENT'S NAME: _____

EVENT(S) AND DATE(S):* _____

My child has permission to ride home with me (or one of the other designated driver(s) noted below) from the event described above (rather than ride the bus provided by the school). I represent that I (or the designated driver, if shown) have both a valid driver's license and adequate accident/liability insurance. I unconditionally release the East Guernsey Local School District and its schools and employees from any liability (financial or otherwise) in the event of an accident, illness, or other emergency that may occur while my child is being transported under this authorization.

PARENT/GUARDIAN'S SIGNATURE: _____

DESIGNATED DRIVER(S) (if not the parent): _____

*Instead of specifying a particular event and date, a category of events may be inserted here (for example, all 2016-17 away basketball games) as long as the intent is clear. In no case will this authorization be applied to more than one school year.
